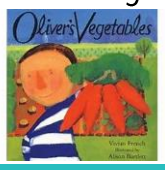
EYFS TALK newsletter - Reception

This fortnight- Beginning 13.4.2021

Our theme this half term is all about 'Growing and Planting.' We will be learning all about it, firstly, through the book Oliver's Vegetables by Vivian French. We will be exploring what grows, how it grows and where it grows best. Talk together about things you eat that grow and what things they need to grow well.



Nursery rhyme of the fortnight

5 Podded Peas

1 grew, 2 grew and so did all the rest.

They grew and they grew,

And they did not stop,

Until one day the pod went POP!

Maths game

Double socks!

Help your adult do the washing by pairing up the socks. Tell your adult how you are doubling and what is happening to the number.

Do you have any socks, can we double this sock? Why not?

Don't forget to share your photos via Tapestry

Words of the fortnight to investigate

grow **root** **seed** **healthy**

Talk about what these words mean. Can your child use these words correctly in a sentence? Help them by modelling a sentence for them.

Phonics game to play

Shopping Lists!

Choose a sound to make a list with, e.g 's'

Take it in turns with your adult to say, I went to the shop and bought...Then say 1 item beginning with 's'. Now it's your adults turn. They need to remember your item and add their own. Kepp going until you forget what is on the list!
