IMPORTANT REMINDERS

Please can we remind parents that on a Thursday afternoon, the nursery gate will remain closed all afternoon and you will no longer be able to cut through at 1.45pm to collect your children. This is because the nursery will be open full time from January 2020. Thank you for your cooperation.

For both the school and parents / carers, it is important to be aware of any outstanding balances on dinner money. From Monday, we will be contacting parents, informing them of any balances over £10 to discuss payment options. Thank you for your understanding.

If you haven't already done so, and your child has asthma, please can you come into school to complete a care plan at your earliest convenience.
