Reminders

Child Protection & Safeguarding

If you have any concerns about child protection and / or safeguarding, please contact a member of our welfare team. Or alternatively, please visit the school website for our policies and procedures.

A polite request to all parents

Please can all parents ensure children are not using the play equipment in the Foundation Stage and Nursery area before and after school. This is for your child's safety.

Lost Property

We are finding a lot of lost property across the school. Please can you ensure that all of your children's belongings are labelled with their name and/or class. This will help to prevent items being misplaced, or accidentally taken by others.

Dance Club & Sports Clubs

There are still a few places available. If you would like to take part, please complete a reply slip as soon as possible.

Nursery & Reception

Reading Corner

REMEMBER

Harry Potter night 7th February at Hull Library. Follow the link below for info:

<https://www.eventbrite.co.uk/e/harry-potter-night-tickets-88672274159>

Every child on the reading scheme is bringing home **2** books. One book is matched to their reading ability, and the other book is a free choice book, designed to be shared or read with your child.

If you would like to join your child in nursery / reception on a Wednesday afternoon to support with reading in school, please remember to speak to a member of the nursery or reception team in the morning, so they can plan ahead. You must enter via the Griffin Road entrance in the afternoon.

IMPORTANT

Please can we remind parents to ensure children **do not** bring sweets into school. Any child with sweets will have them taken off them and you will need to collect them from the office.

Times Tables

We are asking children to practice their multiplication tables at home. You can help us by encouraging children to use Timetable Rockstar's, Purple Mash and other songs and activities to support learning times tables.

Please can we remind all parents of the importance of punctual & regular attendance. We are monitoring late arrivals as well as attendance across the school and we will continue to follow up late arrivals & absences.

Thank you for your ongoing support, Griffin Primary Team
