Winners!!

Congratulations to our Year 3 / 4 Athletics competition winners this week! The children were excellent ambassadors of Griffin Primary, and they showed an excellent attitude and effort throughout the competition. Well done!

Reminders

A polite request to all parents

Please can all parents ensure children are not using the play equipment in the Foundation Stage and Nursery area before and after school. This is for your child's safety.

Dance Club & Sports Clubs

There are still a few places available. If you would like to take part, please complete a reply slip as soon as possible.

Checking school bags

Please can we remind all parents to check book-bags regularly. We often send letters, accident slips and reward notes home this way.

Nursery & Reception

If you are joining your child in nursery / reception on Wednesday reading afternoons, please remember to use the Nursery entrance on Griffin Road. You must speak to a member of the nursery team beforehand to confirm you will be attending.

IMPORTANT

Please can we remind parents to ensure children **do not** bring sweets into school. Any child with sweets will have them taken off them and you will need to collect them from the office.

Times Tables

We are continuing to encourage children to practice their multiplication tables at home. You can help us by using Timetable Rockstar's, Purple Mash and other songs and activities to support learning times tables.

Reading Corner

REMEMBER

Harry Potter night 7th February at Hull Library. Follow the link below for info:

READING PLUS

All KS2 children have access to Reading Plus, for support with comprehension, vocabulary, motivation and reading efficiency.

Once children have completed an initial assessment in school, they will be issued a login and password to access Reading Plus from home.

Attendance is continuing to drop across the school, and we are monitoring attendance and punctuality across the school. Please can we remind all parents of the importance of punctual & regular attendance. Arriving only 10 minutes late each day means your child loses 5 hours of school each half term, or 30 hours in the school year. That's a whole week of lost learning!

Thank you for your ongoing support, Griffin Primary Team
