Curriculum

This week in curriculum we will be...

Lesson 1 – D&T

“Den Building

Use anything you have in your home to build a den using the specification. This could be something you do alone or something you work together on.

Once you are done take a picture of you inside your den and let us see it on Twitter or by email!

Design Specification:

Your den must be big enough for you to fit in comfortably. It needs to be a space where you can go to relax and do something you enjoy!

Therefore, it must be comfortable and somewhere special to you.

Lesson 2 – History

Research

Use the internet or books to find out some key facts about The Mayans. You may look for information such as:

- Who were they?
- When were they around?
- What was their lifestyle like?
- What is in the picture?
- Why is this picture important to them?
