

# Griffin PS Learning Pack

EYFS

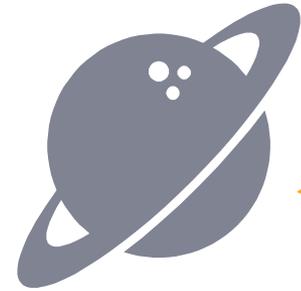

Remember to Tweet your  
work daily:

@griffinprimary

Plus do not forget the daily  
challenge:

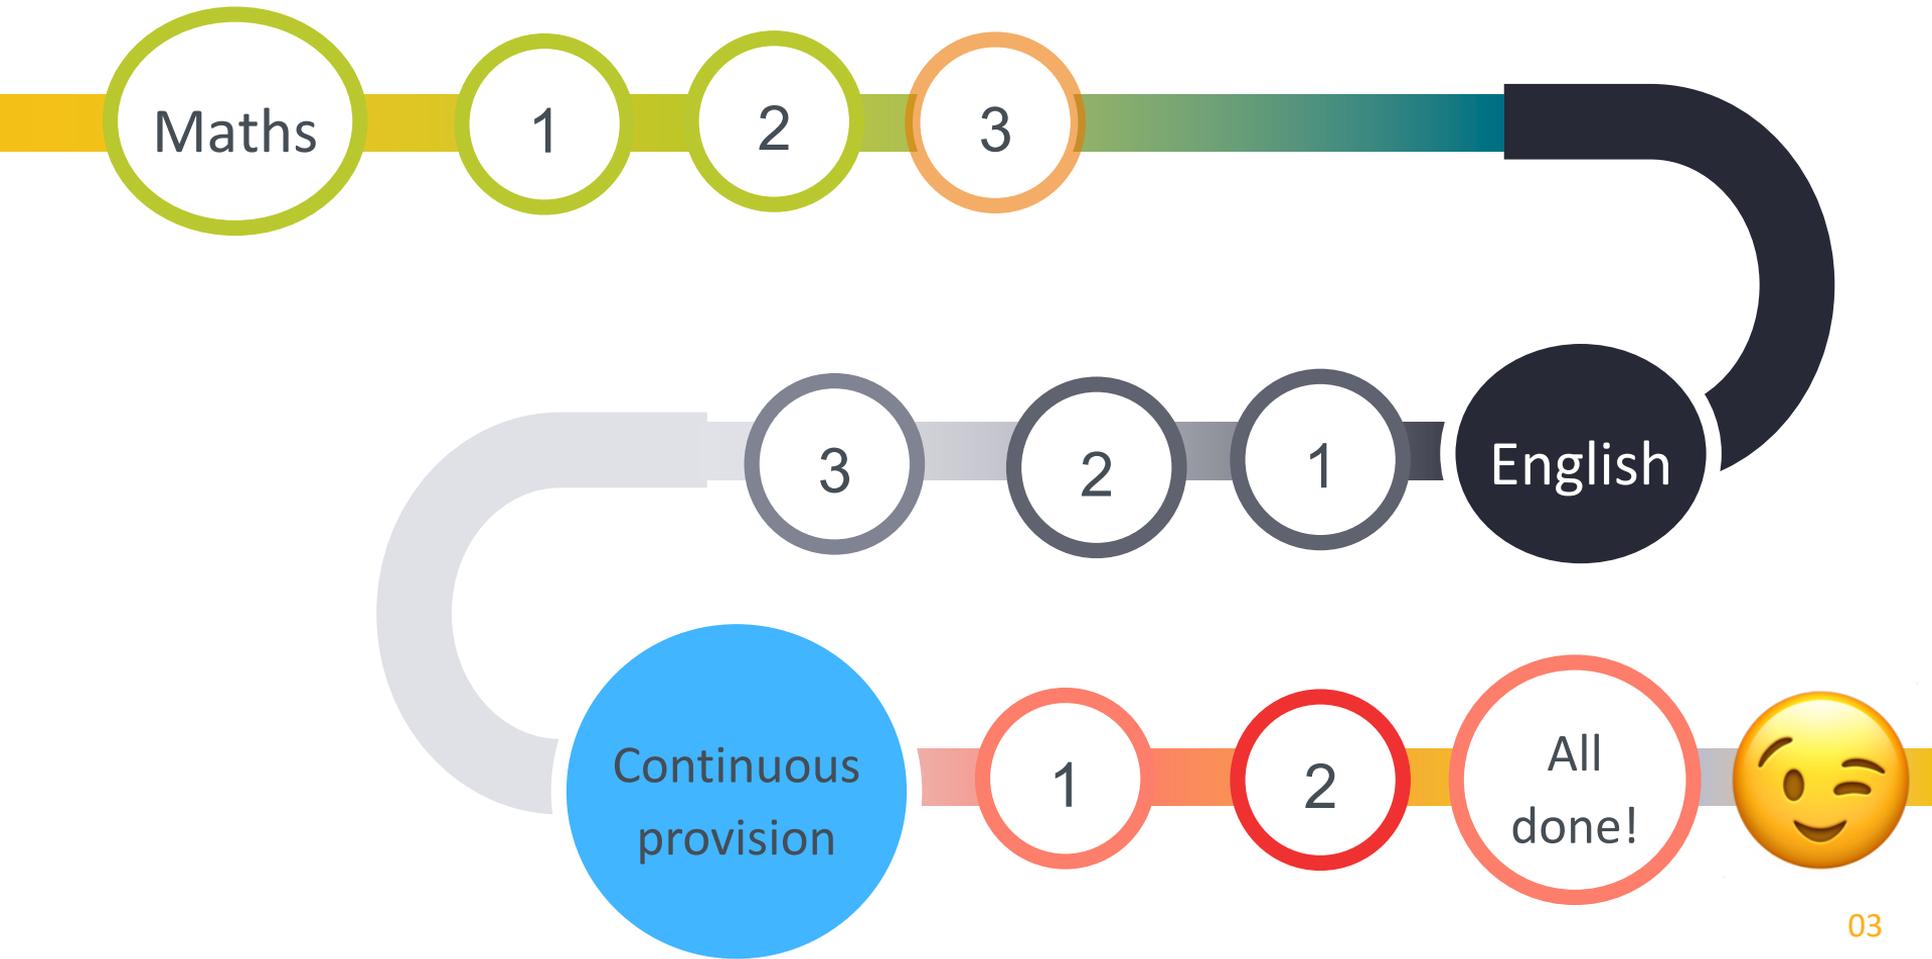

#gpsdailychallenge

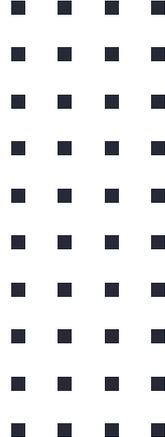

## Instructions for use

- **Work through the tasks, but remember to have breaks as you would do in school.**
- **Spend enough time to complete the task, but remember to have fun and time with your family too.**
- **We are still here to support you. Twitter is a great way to contact us.**
- **Remember to share your work with us on Tapestry.**

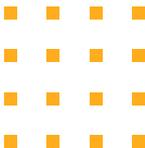

# English

This week in English we will be...

“

# Lesson 1

## Forming letters:

Learning outside is fun. Can you use a container of water and a paintbrush to practice forming letters on your garden wall, fence or floor?

Try writing your name on the pavement using the water. If it is a sunny day the warmth of the sun may make your writing disappear (evaporate).

Reception: Use your phonics to write some words yourself.

## Lesson 2

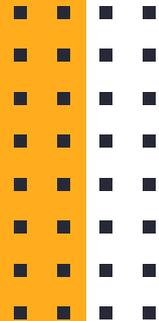

### Speaking and Listening:

Ask an adult to help you make a collection of fruits and vegetables. Pop them into a bag or box leaving a small hole at the top. Can you take it in turns to feel one of the fruits or vegetables and use your senses to describe it?

It is hard or soft? Is it warm or cold? Is it smooth or rough?  
Can you guess what it is?

Reception: Can you draw the fruit or vegetable and write some describing words around it?

Send us photos of your work on tapestry

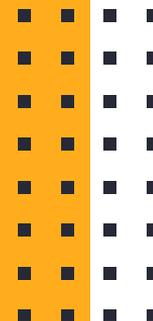

## Lesson 3

### Favourite story:

Choose your favourite story to share with an adult.

Can you then retell the story using the pictures to describe what is happening on each page?

Reception: Ask an adult to ask you to point to the front cover, the blurb, the spine and the back cover. What do you call the person who writes the book? (author) What do you call the person who adds the pictures to the book? (illustrator)

# Maths

# “Lesson 1

## Numeral Hunt

Ask an adult to hide numbers 0-10 written on paper around the garden. Can you find the numbers as quickly as you can?

Reception: Can you hunt for numbers 11-20 too?

Challenge: Can you carefully order the numbers you have found from smallest to largest?

Take a photo of your numberline and pop it on Tapestry!

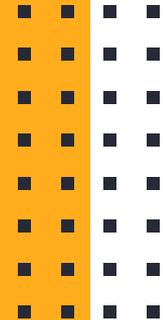

## Lesson 2

### Planting:

Collect up plant pots or clean yoghurt pots. Write numbers on the side of each pot. Put soil in each pot. Do they all hold the same amount of soil?

Plant the corresponding number of seeds in each pot. For example, 1 seed in pot 1, 2 seeds in pot 2. If you don't have any seeds ask an adult to save them from the fruit you eat such as apples and satsumas or check bird or pet seed you may have at home.

Reception challenge: Can you write numbered instructions how you planted your seeds? Don't forget to water them and put them in a sunny window.

# Lesson 3

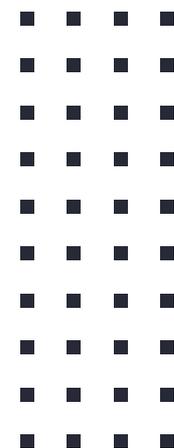

Shape eye spy:

Can you go on a shape hunt either in your garden or when out on a walk with an adult? Can you spot a circle, square, rectangle and triangle?

Maybe an adult could take some photos and add them to Tapestry so we can see the shapes you spotted?

Reception challenge: Can you write a list of all of all of the objects with curved sides you spotted? What did you spot that had straight sides?

# Continuous provision

This week.....

# Lesson 1

## Wild Art

Can you use natural objects found in your garden or on a walk to make a piece of wild art?

Stones, twigs, cones, grass and leaves are great to use but please remember to **WASH YOUR HANDS AFTERWARDS!**

Lay the items out on the ground, then get creative! Can you make a face? Your favourite animal? or a pattern?

Don't forget to take photos and share them with us on Tapestry.

## Lesson 2

### Baking

Try this simple biscuit recipe at home.  
They are delicious!

Reception: Can you help measure out  
the ingredients using some kitchen scales?

### Easy Fork Biscuits

100g butter softened  
50g caster sugar  
150g self raising flour

Line a baking Tray and preheat oven to 180°

Mix your butter and sugar in a bowl until well combined  
and fluffy.

Add the flour and keep mixing gently until well  
combined!

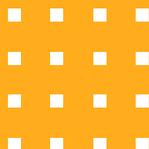

mix together with your hands.

Roll walnut sized pieces and place on your baking tray

fill a cup with cold water, dip a fork into the water and  
then gently press down on each ball of biscuit dough.

Bake in the oven for 12-15 Mins or until golden brown.

Pop onto a wire rack to cool.

Just for fun

Have fun singing and dancing to this...
