Lesson 1

Hello, hello!

Write a friend or a family member a little note and post it through their post box on your daily walk or post it to them with a stamp! You might get a reply!

Lesson 2

Large paper marks!

Roll out some old wrapping paper, wall paper and lay on your tummy with your favourite pens, pencils or crayons. Draw a picture, make some marks and if you can label or write a sentence about what you have created.

Lesson 3

Spraying sounds!

Go outside with some chalk. Ask your adult to write some sounds on the ground/walls. Then, use a spray bottle to squirt them away. Don't forget to say the sound as you do it.

Your adult could call a sound and time you as you find it and then spray it away.

Challenge- ask your adult to write you some words using the sounds you know. Sound out the word as you spray it away, what does it say?
