

Griffin PS Learning Pack

EYFS

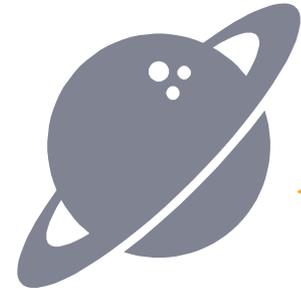

Remember to Tweet your
work daily:

@griffinprimary

Plus do not forget the daily
challenge:

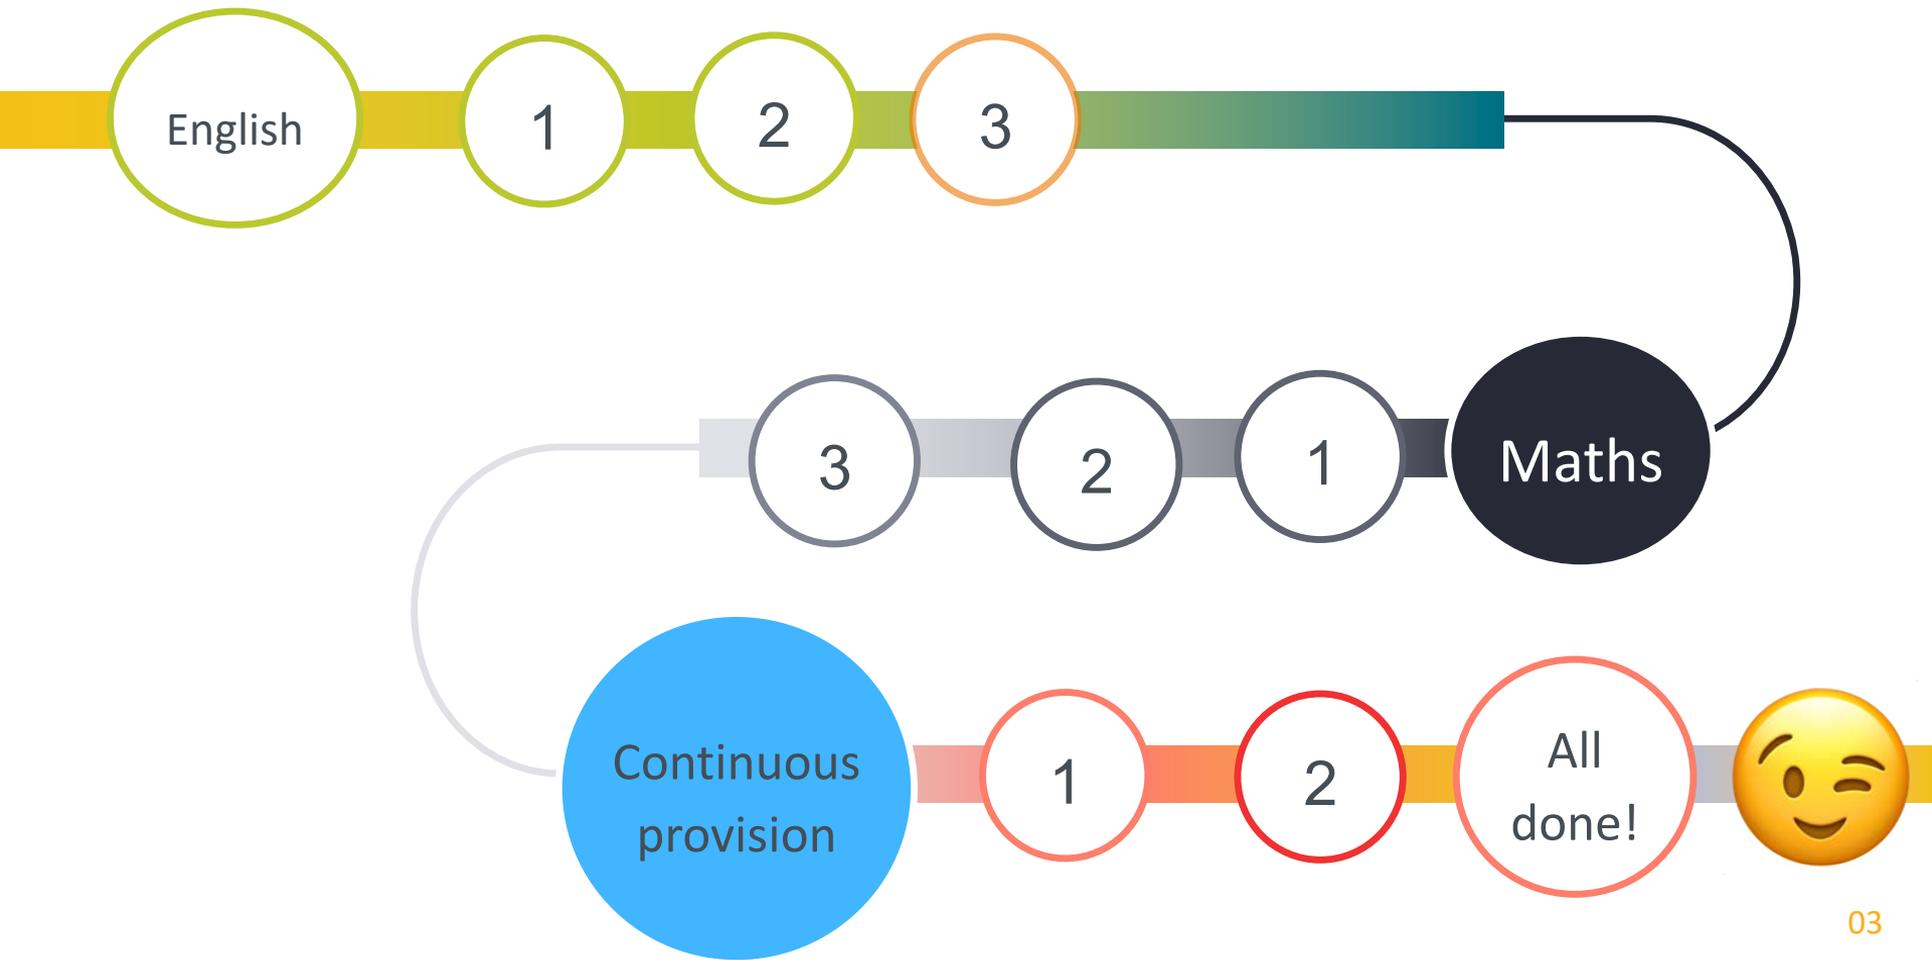

#gpsdailychallenge

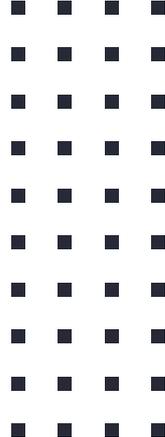

Instructions for use

- **Work through the tasks, but remember to have breaks as you would do in school.**
- **Spend enough time to complete the task, but remember to have fun and time with your family too.**
- **We are still here to support you. Twitter is a great way to contact us.**
- **Remember to share your work with us on Tapestry.**

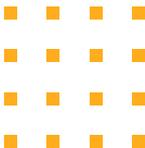

English

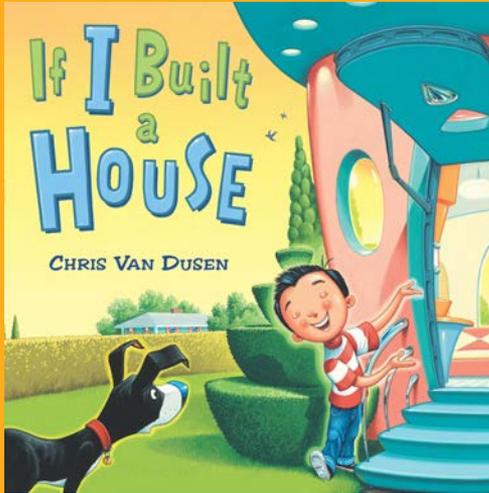

This week in English we will be...

Lesson 1

<https://www.youtube.com/watch?v=XYfB2MS-OUO>

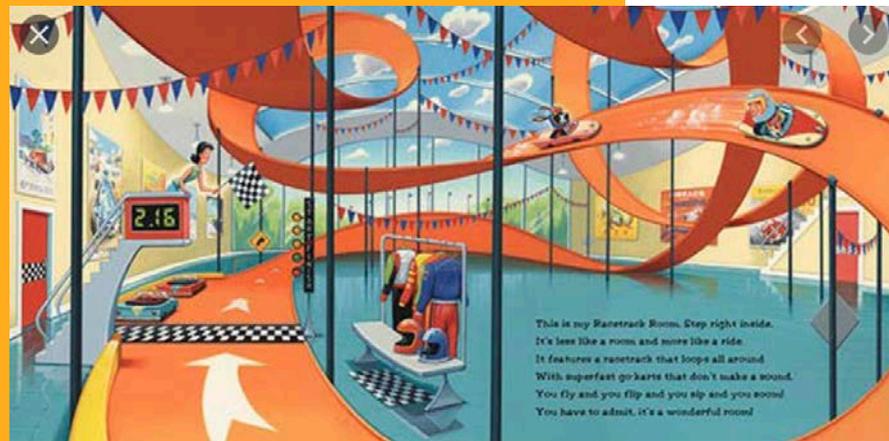

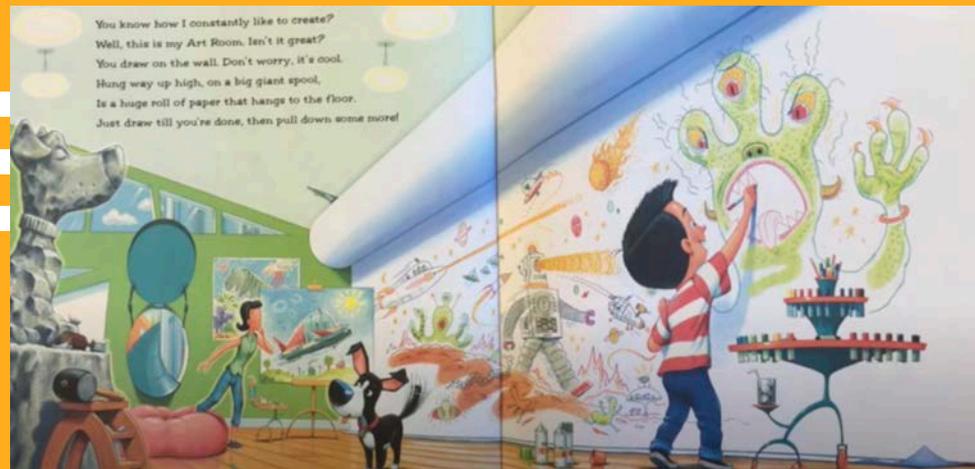

Watch the video of the story: If I Built a House...

The little boy in the story imagines the most amazing house!

If you could design a house, what rooms would you have?

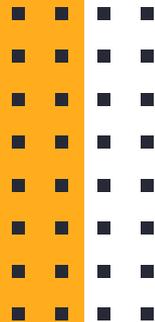

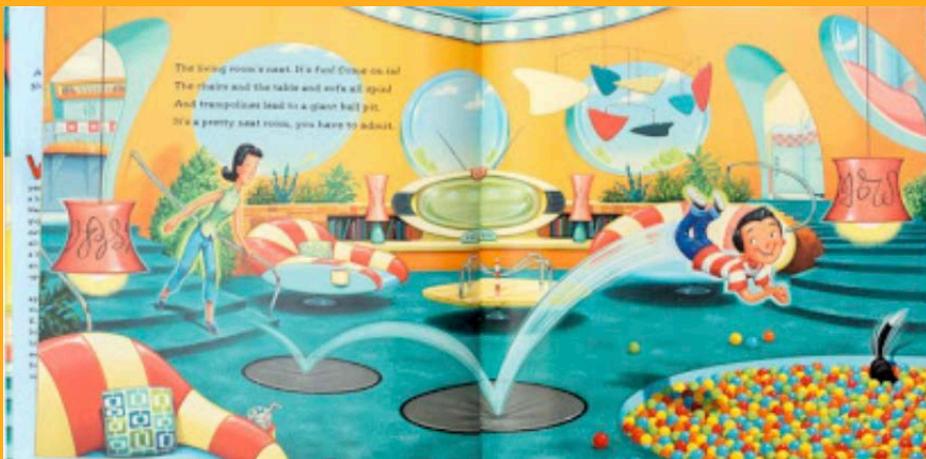

Can you draw and label your dream bedroom?

You know how I constantly like to create?
Well, this is my Art Room. Isn't it great?
You draw on the wall. Don't worry, it's cool.
Hung way up high, on a big giant spool,
Is a huge roll of paper that hangs to the floor.
Just draw till you're done, then pull down some more!

This is my Race-track Room. Step right inside.
It's less like a room and more like a ride.
It features a racetrack that loops all around.
With superfast go-karts that don't make a sound.
You fly and you flip and you slip and you sound!
You have to admit, it's a wonderful room!

The living room's neat. It's fun! Come on out!
The chairs and the table and sofa all good!
And trampolines lead to a giant ball pit.
It's a pretty neat room, you have to admit!

Lesson 2

Clapping syllables

Can you clap the syllables in your name?

I have 4 syllables in my name:

Miss Bo wa ter

How many do you have in your name?

Can you clap the syllables in other words too?

Lesson 3

Phonics bingo!

Use the bingo card on the next page to find things beginning with each phoneme.

Cross off each one when you have found something, can you find them all? When you do, call out "Bingo!"

Reception: Can you write the things you have found?

Maths

“

Lesson 1

Adding using objects

1. Get 2 bowls
2. Put 3 small objects in one bowl and 2 in the other
3. Count how many you have altogether!
4. Try again using different amounts of objects.

Reception: Can you write the number sentence?

Lesson 2

Can you make a number line using different objects?

Lesson 3

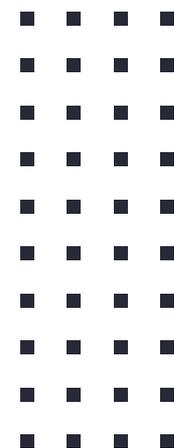

How many can you do?

Ask your grown up to set a timer for 10 seconds.

Count how many...

- Jumps you can do
- Times can you say your name
- Times can you run around your garden
- Times you can touch your toes

Continuous provision

This week.....

Lesson 1

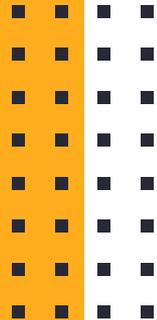

Floating and Sinking

Fill a bowl with water

Collect some objects and put them in the water to see which ones float and which ones sink!

Reception: Can you write a list of objects which float and which sink?

Ask your grown-up to help you find things which are safe to put in the water.

Float	Sink

Lesson 2

“

Who am I?

Dress up as your favourite story character and ask your grown-up to guess who you are!

“

Treat yourself
