Griffin PS Learning Pack

Year 1

Remember to Tweet your work daily:

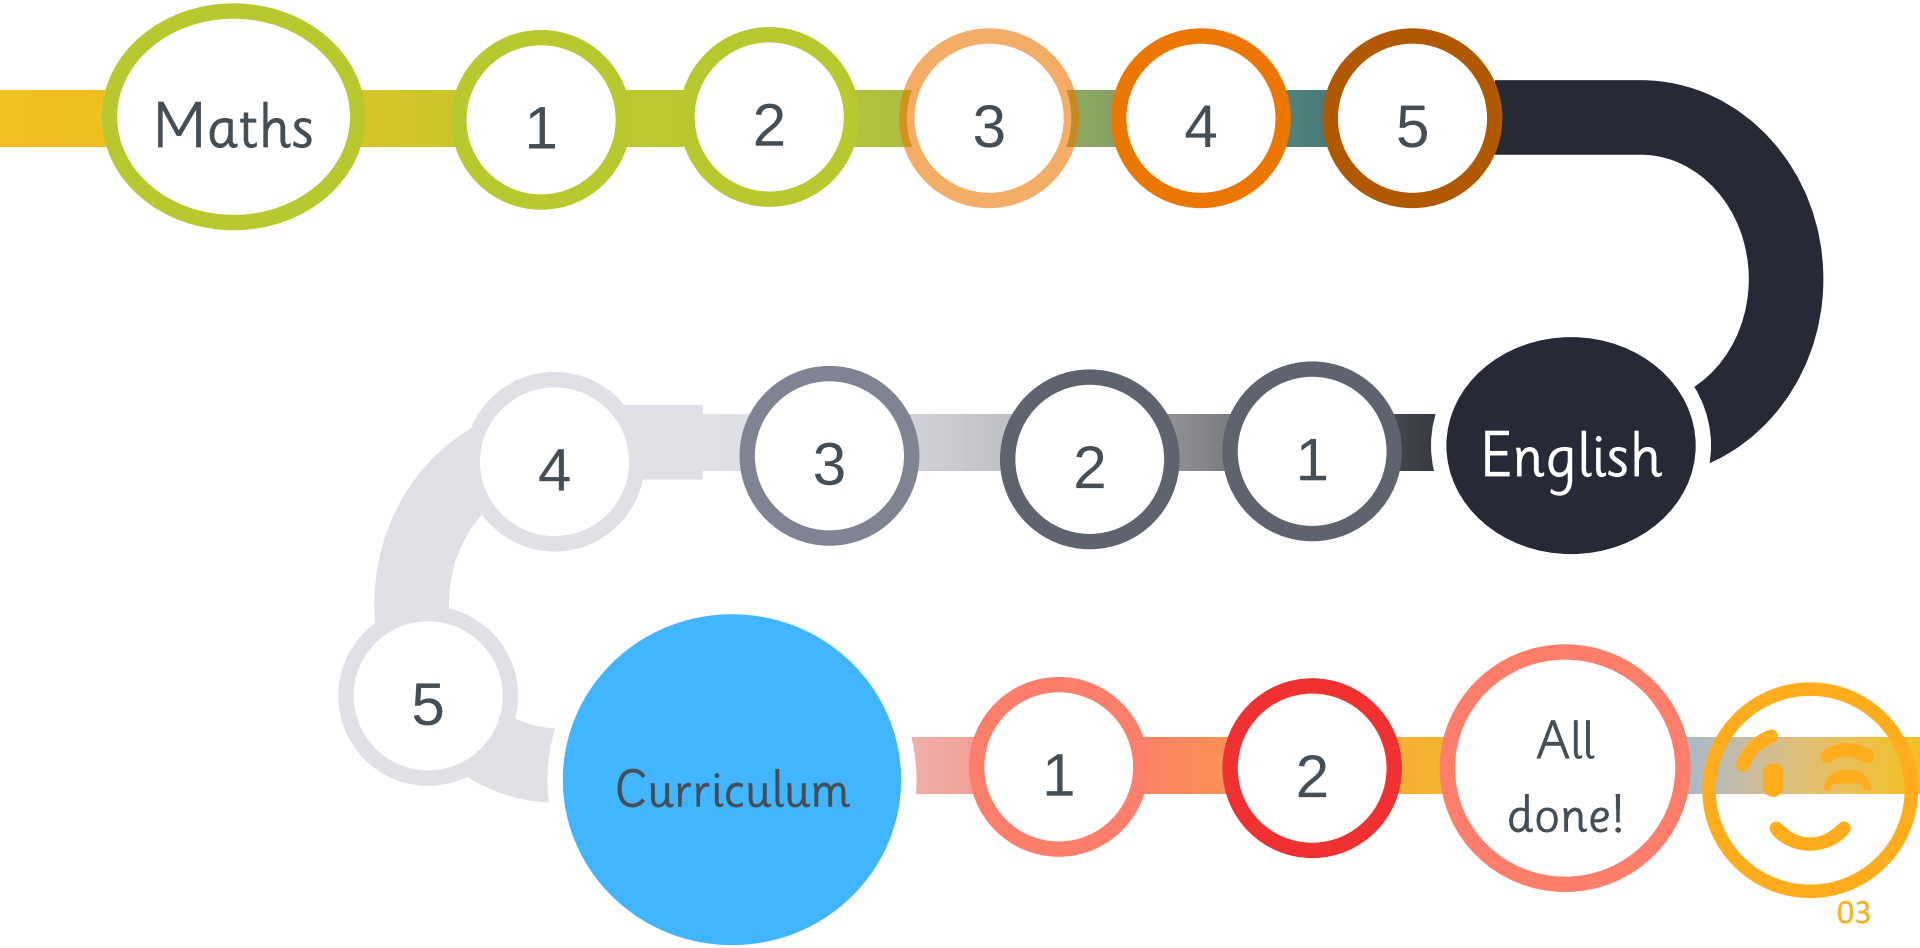
@griffinprimary

Plus do not forget the daily challenge:

#gpsdailychallenge

Instructions for use

- **Work through the tasks daily if possible, but remember to have breaks as you would do in school.**
- **Spend enough time to complete the task (around 30-40 minutes), but remember to have fun and time with your family too.**
- **We are still here to support you. Twitter is a great way to contact us.**



Maths

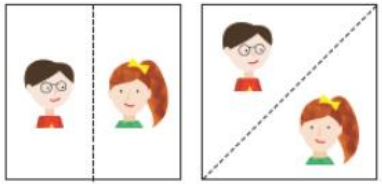
This week in maths we will be...

Maths Lesson 1

Let's Learn

1



Are there other ways to do this?

gets

This is half.

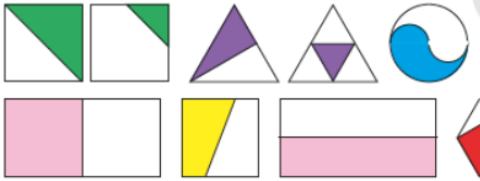
gets

This is also half.

2 halves make the whole piece of art paper.

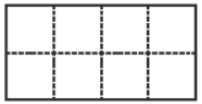
Guided Practice

1 Which of these show halves?



Each shape shows one whole.

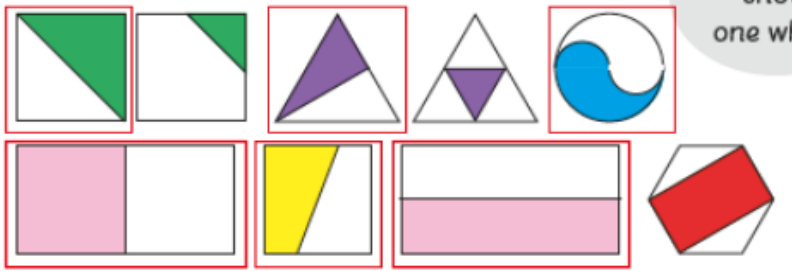
2 Shade to show half of the rectangle.



Maths lesson 1 – Answers

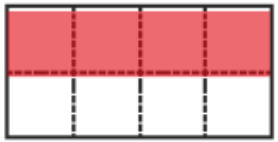
Guided Practice

1 Which of these show halves?



Each shape shows one whole.

2 Shade to show half of the rectangle.



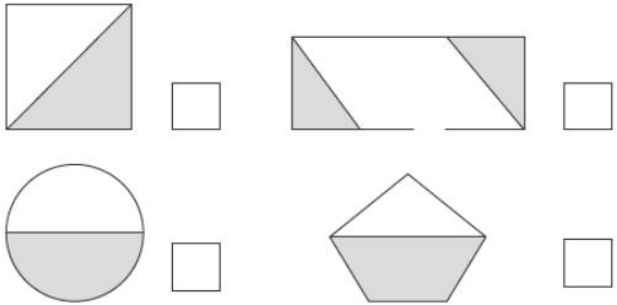
Answers may vary. Any shading of 4 parts is half of the rectangle.

Maths Lesson 2

Worksheet 1

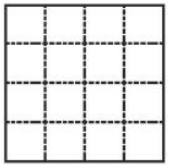
Making Halves

1 Tick (✓) those that show halves.



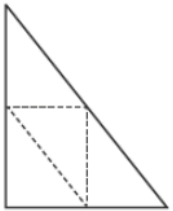
2 Shade each of the following.

(a) Half of the square

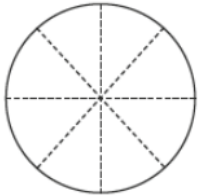


(b) Half of the rectangle

(c) Half of the triangle



(d) Half of the circle

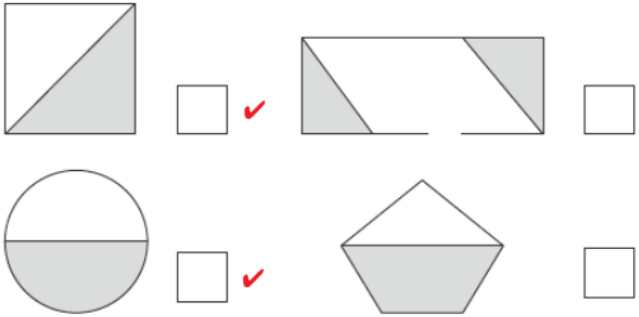


Lesson 2 – Answers

Worksheet 1

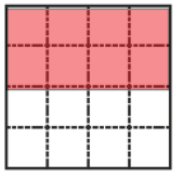
Making Halves

1 Tick (✓) those that show halves.



2 Shade each of the following.

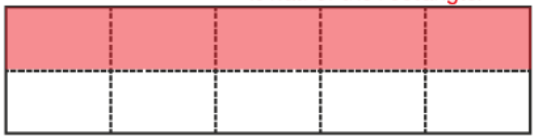
(a) Half of the square



Answers may vary. Any shading of 8 parts is half of the square.

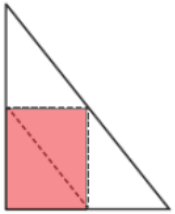
(b) Half of the rectangle

Answers may vary. Any shading of 5 parts is half of the rectangle.



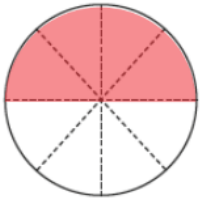
(c) Half of the triangle

Answers may vary. Any shading of 2 parts is half of the triangle.

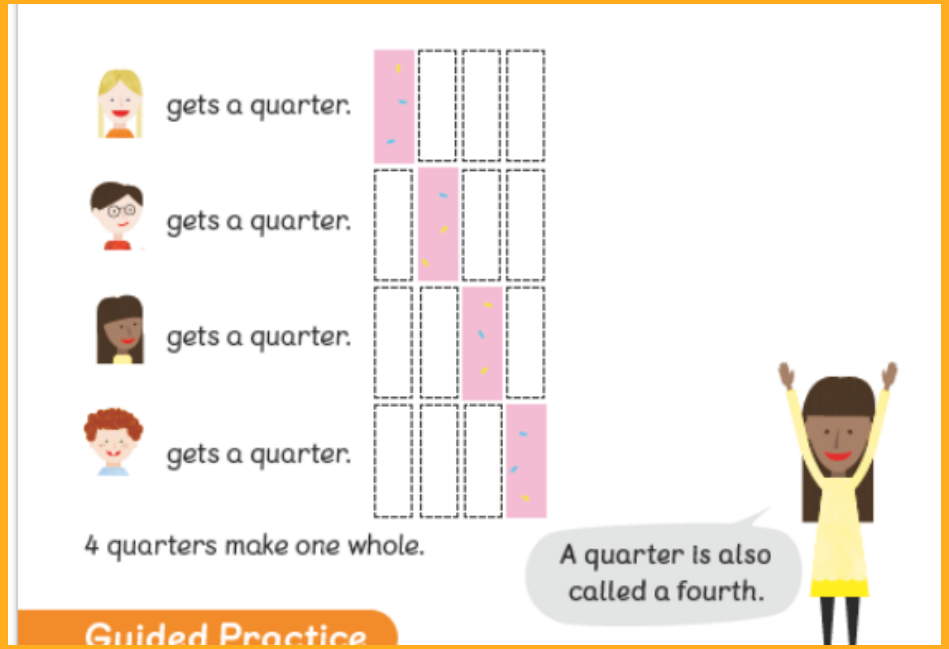


(d) Half of the circle

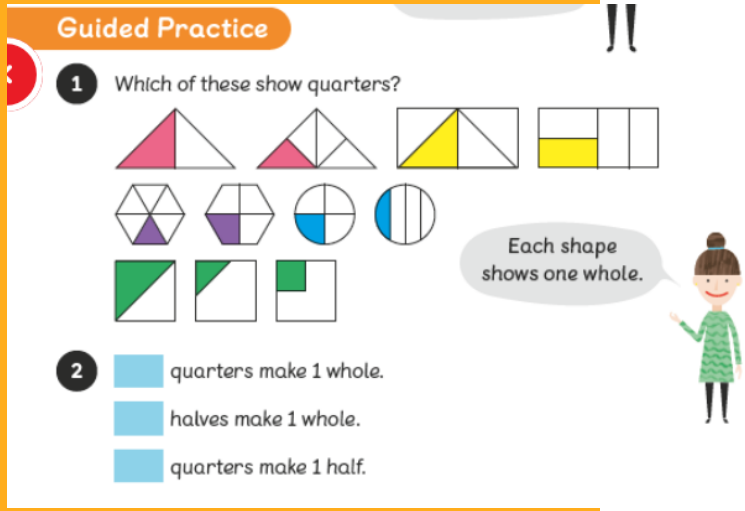
Answers may vary. Any shading of 4 parts is half of the circle.



Lesson 3

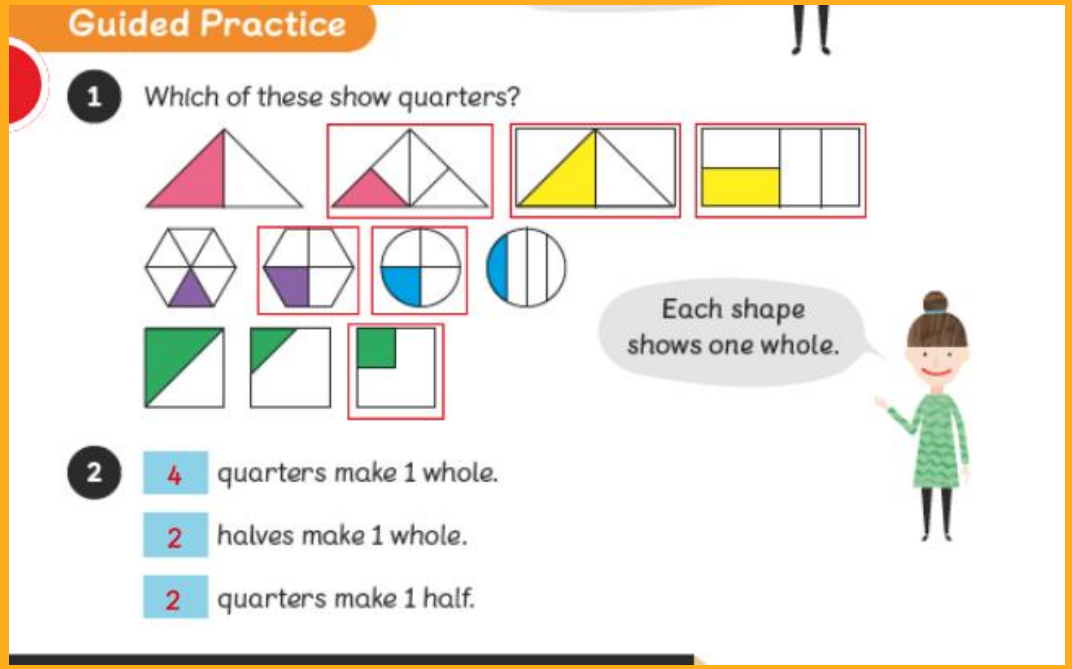


gets a quarter.
gets a quarter.
gets a quarter.
gets a quarter.
4 quarters make one whole.
A quarter is also called a fourth.
Guided Practice



Guided Practice
1 Which of these show quarters?
Each shape shows one whole.
2
quarters make 1 whole.
halves make 1 whole.
quarters make 1 half.

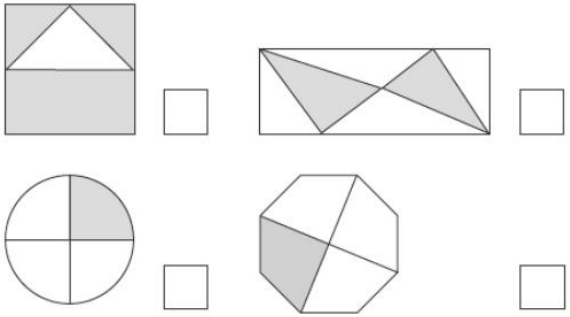
Lesson 3 Answers



Lesson 4

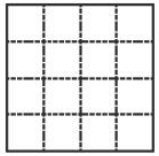
Making Quarters

1 Tick (✓) those that show quarters.

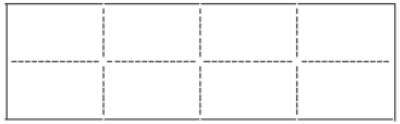


2 Shade each of the following.

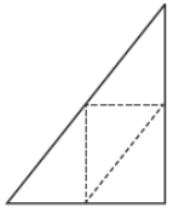
(a) A quarter of the square



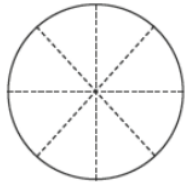
(b) A quarter of the rectangle



(c) A quarter of the triangle



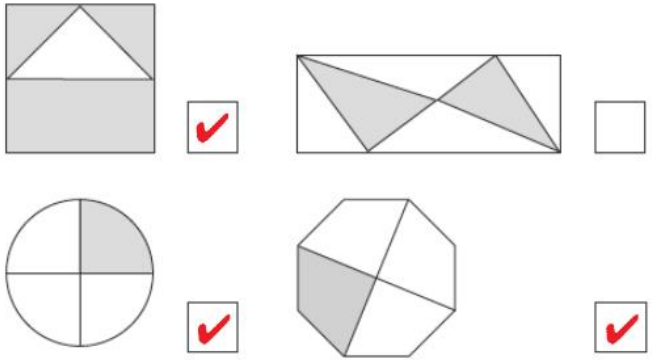
(d) A quarter of the circle



Lesson 4 answers

Making Quarters

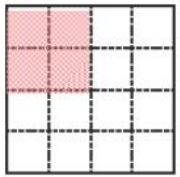
1 Tick (✓) those that show quarters.



2 Shade each of the following.

(a) A quarter of the square

Answers may vary. Any shading of 4 parts is a quarter of the triangle.



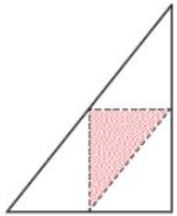
(b) A quarter of the rectangle

Answers may vary. Any shading of $2\frac{1}{2}$ parts is a quarter of the rectangle.

N.B. The rectangle should only have 8 parts (not 10).
This will be amended at the next reprint.

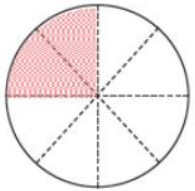
(c) A quarter of the triangle

Answers may vary. Any shading of 1 part is a quarter of the triangle.



(d) A quarter of the circle

Answers may vary. Any shading of 2 parts is a quarter of the circle.



Lesson 5

Sharing and Grouping

1 Circle.
Write the missing numbers.

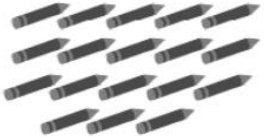
(a) There are 8 marbles.
Elliott gets half of them.
How many marbles does he get?

He gets ☐ marbles.

(b) There are 14 rubbers.
Lulu gives half of them to her sister.
How many rubbers does Lulu get?

Lulu gets ☐ rubbers.

(c) There are 18 crayons.
Holly uses half of them for her artwork.
How many crayons does Holly use?



Holly uses ☐ crayons.

2 Circle.
Write the missing numbers.

(a) Emma bakes 8 cakes.
She gives a quarter of them away.
How many cakes does she give away?

She gives away ☐ cakes.

(b) There are 16 empty glasses.
Ruby fills a quarter of them with water.
How many empty glasses are filled with water?

☐ empty glasses are filled with water.

Lesson 5 answers

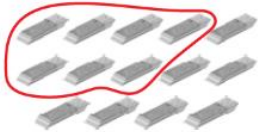
Sharing and Grouping

1 Circle.
Write the missing numbers.

(a) There are 8 marbles.
Elliott gets half of them.
How many marbles does he get?

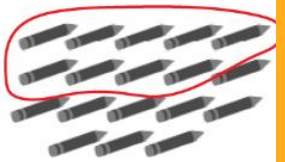
He gets [4] marbles.

(b) There are 14 rubbers.
Lulu gives half of them to her sister.
How many rubbers does Lulu get?



Lulu gets [7] rubbers.

(c) There are 18 crayons.
Holly uses half of them for her artwork.
How many crayons does Holly use?



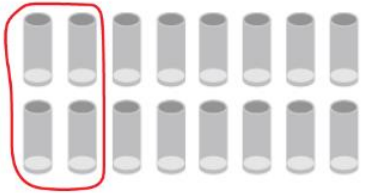
Holly uses [9] crayons.

2 Circle.
Write the missing numbers.

(a) Emma bakes 8 cakes.
She gives a quarter of them away.
How many cakes does she give away?

She gives away [2] cakes.

(b) There are 16 empty glasses.
Ruby fills a quarter of them with water.
How many empty glasses are filled with water?



[4] empty glasses are filled with water.

English

This week in English we will be...

It is music week!

This week in English we will be creating a ***fact file*** *about our famous musician/artist/singer.*

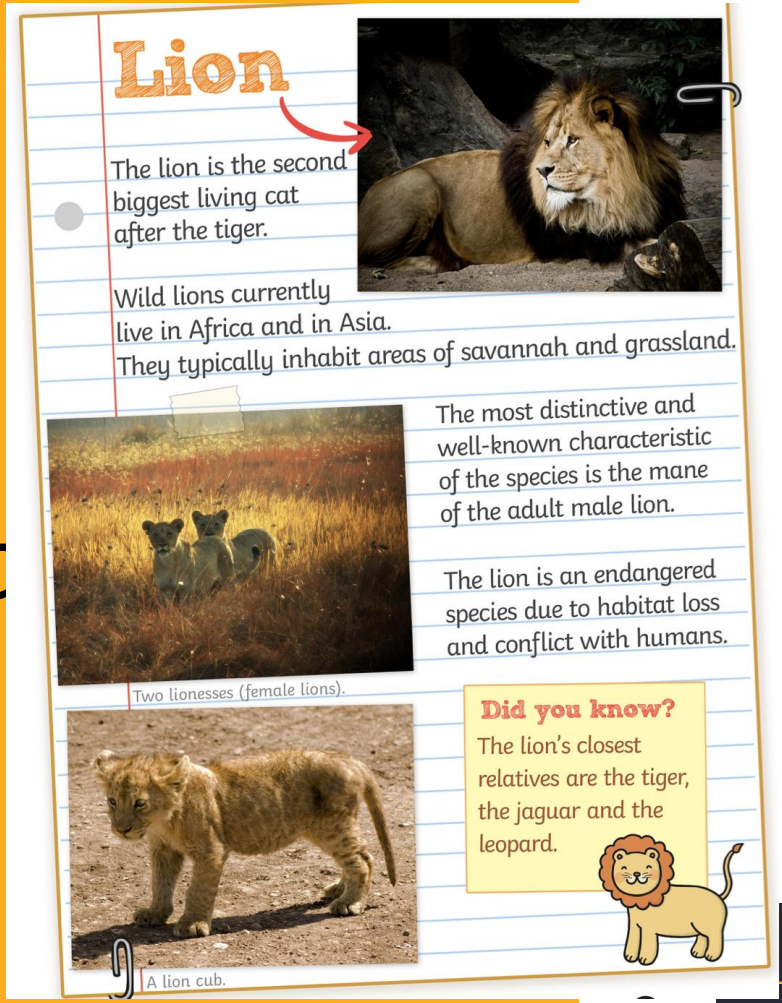
A fact file is a non-fiction text.

What does non-fiction mean?

English Lesson 1

Fact files

What is a fact File?

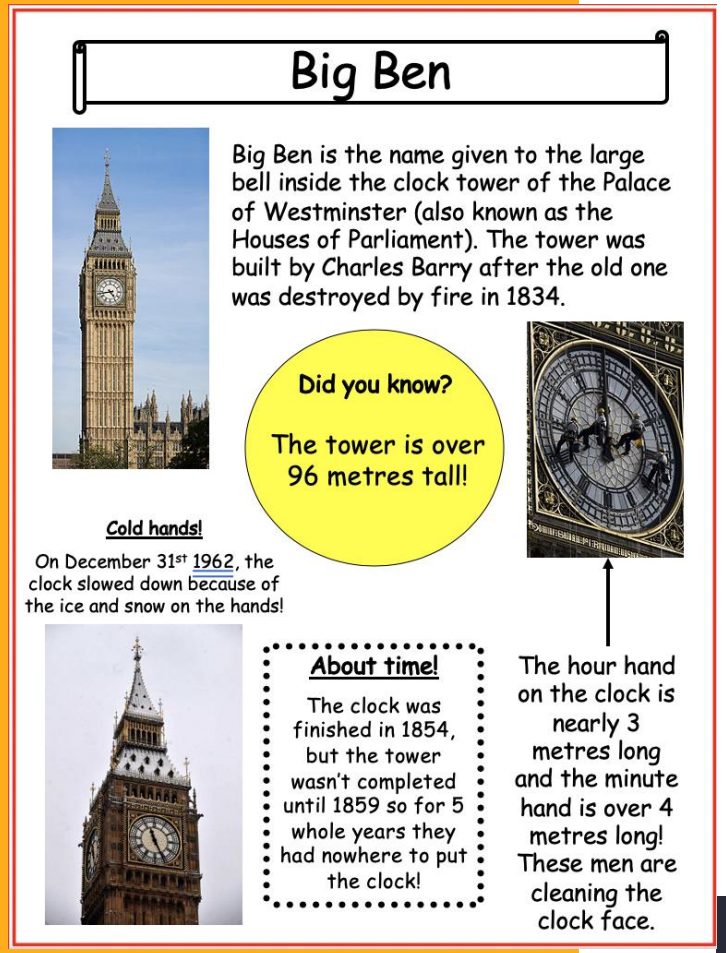


English Lesson 1

Fact files

What do they include?

Headings
Subheadings
Photos/pictures
Labels
Captions
Information
Did you know?



English Lesson 1

This week we are going to make our own fact file about your favourite singer.

What would you like to find out about them?

What questions would you like to ask?

English Lesson 1

Write down 3 questions you want to find out about your favourite singer/band.

Don't forget to use a ?

English Lesson 2

Yesterday, we looked at some non-fiction texts.

What does non-fiction mean?

We wrote down some questions you would like to find out about your favourite singer.

Today, we will find out the answers!

English Lesson 2

Can you find the answers to your questions by researching online?

In a full sentence, can you write the answers?

Email us your findings…

English Lesson 3

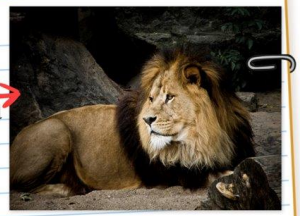
We have some really interesting facts about your artist now.

We can begin to plan out our fact file!

English Lesson 3

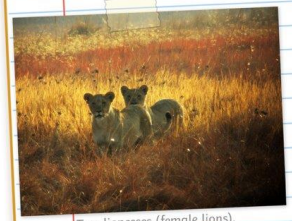
What does our fact file need to have?
Remember those features!

Lion



The lion is the second biggest living cat after the tiger.

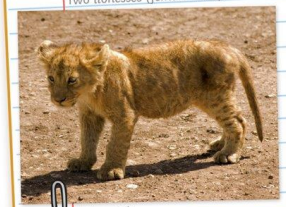
Wild lions currently live in Africa and in Asia.
They typically inhabit areas of savannah and grassland.



Two lionesses (female lions).

The most distinctive and well-known characteristic of the species is the mane of the adult male lion.

The lion is an endangered species due to habitat loss and conflict with humans.



A lion cub.

Did you know?
The lion's closest relatives are the tiger, the jaguar and the leopard.

Big Ben

Big Ben is the name given to the large bell inside the clock tower of the Palace of Westminster (also known as the Houses of Parliament). The tower was built by Charles Barry after the old one was destroyed by fire in 1834.

Did you know?
The tower is over 96 metres tall!

Cold hands!
On December 31st 1962, the clock slowed down because of the ice and snow on the hands!

About time!
The clock was finished in 1854, but the tower wasn't completed until 1859 so for 5 whole years they had nowhere to put the clock!

The hour hand on the clock is nearly 3 metres long and the minute hand is over 4 metres long! These men are cleaning the clock face.

English Lesson 4

Today we are going to write our fact file!

Can you remember what non-fiction means?

English Lesson 4

Use your notes from yesterday to write your fact file about your artist.

Remember to write in full sentences.

English Lesson 5

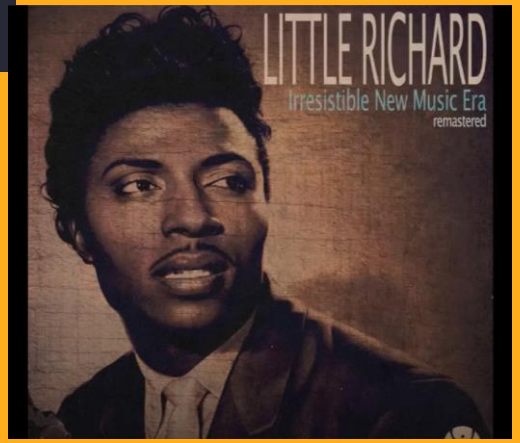
Today you have time to finish your fact file.

Don't forget to include pictures these could be drawn or photographs.

Email us your finished fact file! We can't wait to see them ☺

Music

Click the links to listen to the music.



All Around the World

https://www.youtube.com/watch?v=5PurMspDDJA

Tutti Frutti

https://www.youtube.com/watch?v=C_C9q4tuwXI

Think about…..The genre of music
How it makes you feel
The tempo, pulse, pitch and any instruments you can hear.

Music

Who is our musician this week?

What genre of music does he/she specialise in?

Can you name any pieces of music from this musician?

Listen to this piece again- what can you hear?

https://www.youtube.com/watch?v=5PurMspDDJA

Now we are going to draw a musical journey. What do you think this means?

https://www.youtube.com/watch?v=5PurMspDDJA

We will listen to a section of the song, and then draw what we imagine when we hear that section.
