

EYFS TALK newsletter - Nursery

This fortnight

week commencing: 09.11.2020

Welcome to the first TALK newsletter for the new academic year! These are given out fortnightly and aim to give you further insight into what your child is doing here at Griffin Nursery. As you can see below, every fortnight we will provide you with a nursery rhyme, maths game, words to investigate and a phonics game of the fortnight to practise and explore at home. We would LOVE to see photos, videos or even just a caption uploaded to your child's Tapestry profile showing us how they are doing with the activities below. **Thank you for your continued support!**

Nursery rhyme

Twinkle, twinkle, little star
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.
Twinkle, twinkle, little star
How I wonder what you are.

Maths game

Have a look at the Numicon tiles on the sheet attached. Ask your child to discuss each one. What colours are the tiles? Can they count the number of holes in each tile? Which tile represents 1, 2, 3, 4 and 5?

Why not add some pictures and comments on your child's Tapestry profile?

Words to investigate

lots

more

same

Talk about what these words mean. Can your child use these words correctly when talking about amounts of objects? For example: There are **more** sweets in this bowl.

Phonics game

Go out on a listening walk – what noises does your child hear on the walk?

We would love to see some photos of your listening walk on Tapestry.
