We will also be completing short investigations at the end of each day across the school, just like real scientists!

The children will learn about science, technology, engineering and mathematics in school, and will also bring home a Bingo Card to complete activities with the whole family at home too! Remember to tweet updates to your class teacher, of all your exciting discoveries at home all week!

WORLD
**BOOK
DAY**
4 MARCH 2021

World Book Day - Superheroes everywhere!

As part of World Book Day, children and staff in school have dressed to impress this week. We have seen Spiderman, Spiderwoman, Batman, Supergirl, Superman, Clark Kent, and many others working hard at English, Maths and other subjects today. Many staff and children have shown their appreciation for real-life superheroes, by dressing up as doctors and nurses too. Children also watched a Bafta nominated storyteller and joined in with voices and actions.

If you've dressed as a superhero, or if your child would like to tell us who their superhero is and why, then why not send us a tweet with your story and/or a picture!

Covid-19

Keep yourself and others around you, safe.

If your child, or anybody in the same household becomes ill with Covid-19 during this term, please email griffin.enquiries@vennacademy.org as soon as possible. **Thank you for your continued support.**
