

# EYFS TALK newsletter - Nursery

## This fortnight

**Week commencing: 28.06.2021**

We hope you are all well and have enjoyed the lovely sunshine which we have had during the last two weeks. The children have certainly enjoyed the warmer weather and have been very sensible in wearing their hats and sun cream whilst playing outside. In Nursery, we have discussed the importance of keeping safe in the sun and the children have been good at finding shady areas to play in. Well done everyone!

The children have enjoyed practising the order of the days of the week through our focus text 'The Very Hungry Caterpillar'. Each morning, the children change our date hoop and we have a weather check in. During this time, the children discuss what day and date it is and what clothing and footwear is appropriate for outdoor play, according to the weather and temperature outside.

## Nursery rhyme

### Wiggly Woo

There's a worm at the bottom of my garden  
and his name is Wiggly Woo  
There's a worm at the bottom of my garden  
and all that he can do  
is wiggle all night and wiggle all day  
He's wiggling his life away  
There's a worm at the bottom of my garden  
and his name is Wiggly Woo.

## Maths

### The Very Hungry Caterpillar

Click on the link to watch and listen to the story 'The Very Hungry Caterpillar'. How many apples does the caterpillar eat? Ask your child to say the number and show you how many using their fingers. How many pears, plums, strawberries and oranges does he eat?  
CHALLENGE: Can your child say the days of the week in order?

## Words to investigate

egg

caterpillar

butterfly

Talk about what these words mean. Model how to say each word and ask your child to copy.

Challenge: Discuss the life cycle of a butterfly. Can your child tell you what comes first?

## Phonics game

**Initial Sounds:** Find objects around your home, garden and local area beginning with our focus letter sound

**'a'**

My name is a, my sound is 'a' for apple.
