Attendance

You can help us improve our full school attendance by getting your child (ren) into school on time every day. It is very important that children arrive on time, so they do not miss key morning learning activities.

A Message from Miss Pitts

As we move through the second half of the summer term, there is still lots of learning to take place and lots of activities planned in before the end of term. We are all determined to make up for as much lost learning as we can, which was caused by the lockdown at the start of 2021. In order to do this, we need all pupils in school on time, every day so they don't miss out on any more learning.

Currently, attendance at school is lower than we would like it to be. Thank you to those parents and carers who send their children to school every day.

As England play again on Tuesday night, we would be happy for pupils to wear either an England football shirt, a red t-shirt or a white t-shirt to school on Tuesday to show their support for the team. Pupils should wear school trousers, shorts or skirts as normal with these tops.

Year 6 Wellbeing Packs

We are very grateful, and hope you will join us in thanking the Hull & East Yorkshire Children's University, and University of Hull, for funding a wellbeing pack for over 700 children in Year 6 across Hull. The packs include a journal, books, a little can of calm and a stress ball for each child. These are carefully selected fun and engaging resources to help children feel more relaxed and calm. Our Year 6 children will be going home with their packs this week.
