A Message from Miss Pitts

As part of our Geography curriculum, we are having a focus on improving pupils locational knowledge so that they become more familiar with where places are in the local area, the UK and around the world. Each classroom will be developing a locational knowledge display which includes maps and photographs of places staff and pupils have been on holiday. Please feel free to send photos in from places you have visited so they can be added to your child's classroom display. I look forward to seeing how they develop!

I am delighted that we currently have over 200 of our pupils who have excellent attendance of over 99% for this half term so far - please keep this up!

Griffin Primary School will be open to all pupils on Wednesday 1st February 2023 as normal.

Miss Pitts,
Head of School
