Messages

Home Reading

Pupils will continue to bring home their reading books home on a Monday, these need to be returned every Friday so books can be changed and sent out again on the following Monday.

Apps and Websites

All pupils have log ins for Numbots and Times Table Rock Stars and are encouraged to use these at home to support their learning.

Some pupils also have a log in for Lexia and Maths Whizz..

PE Kit

22C's PE lesson is on a Thursday. 2MK's PE lesson is on a Tuesday. Pupils need to come to school in their PE kits - shorts/joggers, a t-shirt and trainers.

Water Bottles

All pupils need a clear water bottle containing only water or very diluted juice, in school every day. These need to be taken home and washed daily. As the weather gets warmer, this is incredibly important.

Staffing and contacts

Assistant Head and Phase Leader

Mrs Kirsty Roantree - kirsty.roantree@vennacademy.org

Teachers

22C - Miss Callow zoe.callow@vennacademy.org

2MK - Miss Roantree - megan.kirlew@vennacademy.org

Teaching Assistants

Mrs Smith

Miss Adams

Together we will master...

English

We will continue to apply the Key Stage 1 grammar and punctuation features to our writing. We will write a range of genres including, narratives, recounts and letters.

Maths

We will be exploring the volume of different containers and exploring how much water they hold. We will learn to tell the time to the nearest 5 minutes.

Science

*We will be learning about living things and their habitats.
We identify habitats as a home and give examples of animals and plants habitats.*

Music

We will use our voices to make different noises and learn how to make different sounds using percussion instruments.

Geography

We will be learning about Sierra Leone and how the city of Freetown compares to Hull. We will look at the physical and human features of Freetown and Hull.

RE

We will be learning more about Hinduism, specifically Hindu stories and symbols.

Computing

We will be learning about coding. We will learn how to design a program using a simple algorithm.

PE

We will focus on running, jumping and throwing techniques.

DT

We will be tasting smoothies that are already available before tasting fruits and vegetables that can be used in a smoothie. We will then design, make and evaluate our own smoothies.

PSHE

We will be talking about the changes that are happening to us. We will talk about how we have changed since being a baby. We will link these changes to changes in school such as moving to Year 3 in September.
