ONLINE SAFETY

In this half-termly newsletter we want to keep you informed of the latest online safety updates, as well as sharing information with you about how to keep your children safe online. It is vital that you know what to do if you have any concerns about your child's or another child's online activities.

CYBER BULLYING

Dealing with cyberbullying can be tricky. Not all children will tell their parents when it happens, and not all children will understand bullying.
