Messages

Spellings – these will be given out every Monday and the children will be tested on Monday of the following week.

Homework – homework will be handed out on a Monday and should be returned on a Friday. This will alternate between maths and GPS.

SATs Companion – children will be assigned work on SATs Companion on a weekly basis. We will be giving prizes

Home reading – Children will continue to bring a book home every Monday to read with you at home. Their bookbag needs to be back in school on the Friday with new books sent home on a Monday.

Times Table Rockstars – Children have their own log in for this app allowing them to practice their tables at home.

Water bottles – Please ensure your child has a clear water bottle, containing only water in school every day.

PE – Children need to come to school in their full PE kit including trainers, jogging bottoms and a top. PE will take place inside during this half term. Long hair must be tied back, and jewellery removed.

PE will take place on a Monday for all Year 6 classes.

Staffing and contacts

Assistant Principal & Phase Leader
Mr Atkinson ben.atkinson@vennacademy.org

Year 6 Teachers

Miss Dyson alexis.dyson@vennacademy.org

Together we will master...

English

Using *Street Child* by Berlie Doherty, we will be writing a diary entry and a persuasive letter.

Maths

Our White Rose Maths units this half term will cover measurements, word problems & percentages.

Science

Animals including humans.
During this unit we will be identifying the main parts of the human circulatory system, investigating the functions of the heart & researching the effects of exercise on the body.

Music

Develop our understanding of Jazz through appraisal, improvising and performance.

History

We will be understanding how transport changed during the industrial revolution through technological advancements.

RE

Exploring Christianity, Judaism and Islam to understand what identity means, compare how people mark transitions in life and compare rites of passage.

MFL

Learning vocabulary to use during school to express opinions about the things we do over the weekends.

PE

Develop our gymnastics skills using body tension & extension.
We will explore different balances and ways of rotating.

Art

We will create industrial landscapes based on the work of L.S Lowery.

PSHE

Learning about dreams & goals and how these can be broken down to become more achievable.

Computing

Creating media
we will be investigating website design and creating our own.
