A MESSAGE FROM MISS PITTS

The pupils are loving our brand new multi-use games area (MUGA) and running track on the playground. It is fantastic to see it getting so much use at all times of the school day and that it has been such a fantastic addition to the school!
Harvest Festival is coming up in school shortly, and once again we will be collecting food donations for the St. Phillip's Church food bank. Anything that you can donate will be gratefull received. Posters can be found around the school with more information.

Thank you,
Miss Pitts, Principal

GRIFFIN TOTS

This year, we will be running Griffin Tots once a month, rather than every week like we have previously done.

Griffin Tots is open to any family - and friends of our families - who have children not yet at Nursery age and who would like an opportunity to meet with other parents and give an opportunity for their child to play with other children.

There is no need to book a place, just turn up on the planned dates!

For more information, please contact the school office.

PUPIL PERSONAL HEALTHCARE PLANS

As part of our response to the introduction of Benedict's Law from 1st September 2026 we are gathering up to date information about pupils who have a medical condition, including asthma; or allergies.

If a child has a medical condition, asthma or an allergy, parents/carers will be asked to come into school to complete a pupil personal healthcare plan. Thank you if you have already provided us with up-to-date information and filled in a form, if not please ensure this is done as soon as possible.
